SPORTS INDUSTRY PROGRAM

INFORMATION FOR PROSPECTIVE ATHLETES

Brauer College has a proud history in sport and the College has outstanding sports facilities. An olympic standard athletics track and a purpose built gym space is available as part of the Sporting Industry Program.

Brauer College recognises that sport is one of many areas where student talent can shine.

The aims of the **Brauer College Sports Industry Program** are to provide student athletes access to :-

- ➔ A flexible, supportive and “*athlete friendly*” academic environment
- ➔ Quality coaching
- ➔ Competition and training opportunities
- ➔ Sport Science services such as fitness testing, performance analysis and strength and conditioning
- ➔ Community links - Ambassador Model, where students work in the community as College representatives
- ➔ Completion of Certificate III in Sport and Recreation (Starting as of Year 10), with an option to explore higher education options in sport through our links with Deakin University

The following details illustrate a brief overview of the program costs and some further information about the program structure.
