BEYOND THE CLASSROOM

Your World Of Opportunity Begins Here
BEYOND THE CLASSROOM

Our experience shows that if students are to be well-prepared for their life beyond Brauer College academic study should not be their sole focus. For this reason we offer a vast array of co-curricular programs and encourage all students to participate in a wide variety of activities on a regular basis. Teachers see it as their responsibility to work with students to help them develop their own interests and ambitions, and discover new and potentially life-long passions.

We make every effort to ensure that student's unique talents are given every opportunity to flourish. Brauer College has a strong reputation in sports, performing arts, public speaking and music.

Brauer offers academies in:

- Basketball
- Clay Target Shooting
- Netball
- Soccer
- Dance
- Endurance Sports
- Football
- Cricket
- Hockey
- Golf
- Volleyball
- Equestrian
- Public Speaking & Debating
- Chess
- Robotics
- Leadership & Community
- Music

To register your interest please fill in the Expression of Interest form and return to the College Office on or before Pastoral Care Interview day.

Once we have received your Expression of Interest we will send you an enrolment form to complete. Payment is due prior to commencing the academy (costs are correct at time of printing - however, may be subject to change). Alternatively, if you would like to set up a payment plan please contact our Business Manager on 03 5560 3888 to discuss.

ACADEMY POLO TOPS

All members of Brauer College Sports Academies are encouraged to purchase an Academy warm-up top. These tops should be worn to training and competitions. Polo tops will be ordered and paid for via the office. Cost of the tops will be finalised at the start of each Academy year and your child will receive a separate order form for this.
SPORTS ACADEMIES

Brauer College Sports Academies were established in 1999 to enrich the schooling experience by providing intensive coaching to students that had particular interests in sport.

The focus of the Brauer College Sports Academy program is to support skill development, improve sportsmanship and foster enjoyment of participation in the activities offered. Being a member of a Sports Academy may also aid the student’s organisational skills, provide opportunity to develop leadership and promote a sense of teamwork.

All Academy students will take part in regular training sessions and have the opportunity to trial for college representative teams at interschool level.

Each Academy member will also participate in one organised competition per semester as relevant to their sport. Academies are separate programs to the Interschool Sport Program.

All Brauer College Academy Sports run on a user pay basis that aims to cover the cost of coaching, equipment, venue hire and incidentals. Fees for each Academy vary and some depend on the number of enrolments and can be subject to change.

When your child expresses an interest in a Sports Academy there will be an enrolment form to complete and return to the college office to secure their place.

We ask that payment be made in full at time of enrolment. If you need to arrange a payment plan please contact the office. School policy requires payment (or a payment plan) otherwise membership will be suspended.

EXPECTATIONS

Academy members are expected to attend all sessions punctually and fully prepared with necessary equipment to participate. Students will work to their full capacity to improve their skill and fitness levels.

It is important that students understand that membership of the Academy requires members to comply with school policy, particularly attendance and punctuality, clothing regulations, homework requirements, and respect for fellow students and teachers. Members who fail to follow policy, or struggle to fulfill their academic responsibilities may have their membership suspended, or cancelled.
BASKETBALL ACADEMY

The Basketball Academy has been very successful for many years with a number of students progressing to playing basketball at a high level outside of school. However, the ultimate aim is for students to develop their skills and maintain their enjoyment of the sport.

Basketball Academy training sessions are conducted by Louise Brown, ex WNBL player and Mermaids Coach. Students will be placed in small groups. Basketball Academy takes place on Wednesdays on a rotating roster at the ARC sports centre.

CLAY TARGET ACADEMY

The clay target club has been running for over 30 years and we aim to educate students in general firearm safety, in general clay target shooting practice and students are also encouraged to obtain a junior firearms licence.

The sessions are currently organised into novice (shooters who are new to the academy) and experienced (students who have previously participated in the academy or have done shooting outside school). The sessions usually run once a fortnight during the school day for these groups and only run during Terms 2 and 3, so as to minimise disruption to study programs.

For all students new to this Academy, an important component will be the compulsory attendance at the ‘firearm handling and safety’ classes which will be held at school towards the end of first term.

Clay Target Academy training sessions are conducted at Lake Gillear Shooting Complex, Allansford, by gun club members and Cheryl McKeen.

Following on from this, the students may, upon the advice of the instructors, participate in specified interschool competitions. We also conduct our own competition at the end of term 3 for all Academy participants.

ADVANCE

ADVANCE is a school based program for young people to volunteer in their community. It is a partnership between the Department of Human Services, Victorian Government Secondary Schools and community organisations.

Advance allow students to do something great in their community based on their choice. They are able to plan projects, meet new people and build skills. Over the years students have participated in the Duke of Edinburgh programs, bush walks, camps to Bondi Beach, Lorne, Bells Beach and other coastal towns along the Great Ocean Road. Students have forged friendships through initiative courses, such as; surfing and sea kayaking lessons, laser strike battles and mountain biking. Confidence and persistence has been gained through encouraging each other during difficult sea conditions, rescuing peers on rescue boards and with rescue tubes, practicing CPR on each other, camping in tents and hiking to waterfalls in the pouring rain, tree planting and rubbish removal in local coastal areas.

WITHDRAWAL POLICY

We ask students to seriously consider their involvement in the Sports Academy as withdrawal at any time may affect the Academy’s ability to continue and in fairness to fellow students and coaches this decision should not be made lightly.

Withdrawal from an Academy will only be accepted in writing, signed by a Parent/Guardian and handed to the front office of the college addressed to the Sport Academy Coordinator. Refunds are considered only in exceptional circumstances.

Once the enrolment form and fees are paid, further details will be supplied to each student regarding specific organisational details to begin their Academy training.
