Yours Sincerely

Jane Boyle  
*Principal*

# 2021 Fee Schedule Year 12

BRAUER COLLEGE  
WARRNAMBOOL

Payment Methods - Arrangements for paying your 2021 school charges are as follows:

To assist parents to budget, a list of school charges are provided. These fees will be specific to each child and visible on Compass from next week, full payment is due 10<sup>th</sup> December 2020 or payment arrangements can be agreed to either by setting up a Direct Debit, completing this form and returning it to Brauer College office. Alternatively arrangements can be agreed to in person, and also as set out in Compass.

- Direct Debit- Simply complete the form enclosed and return to the Brauer College office. This option is very popular with our families and one we encourage, if you need any assistance with this please call 55603888 and any of our friendly staff will be able to assist you.
- Compass: School charges will be accessible for payment through Compass. This is a very simple, user friendly process for families, providing the flexibility to organise your payments any time online. Families will be able to make one payment for all students by making the payment through the shopping cart. Where required, families will also be able to select the payment plan option and make 6 x monthly payments using your credit card. This is a very simple one step process which does not involve filling in any forms.

#### **Other payment options available are:**

- Centrepay: You can apply for Centrepay deductions on line via the following site or by completing a Centrepay deduction form available from the school office  
<https://www.servicesaustralia.gov.au/individuals/services/centrelink/centrepay>
- BPay
- Cash/Cheque- In Person
- Eftpos-
- Should you wish to pay in person, please come in by 10<sup>th</sup> December 2020. Our staff will also be able to assist with any queries you may have prior to school starting.

#### **The difference between Compass and CASES:**

CASES21 is the Education Departments finance package which we are required to use. It is the single source of truth for your family account balances. This package provides the history of your charges and payments, and it is the package which receives any credits you may be entitled to Eg: refunds, CSEF, Centrelink and credits.

Compass is the package we use to communicate with families and provide a convenient, pay anytime option for families to eliminate the need for cash and also for families to come into the College.

Compass records all payments received through Compass pay, it does not have a record of your credits or payments received via any other method, eg: BPay, cash, eftpos, direct debit or credit receipts.

Each term we will send you home a statement from CASES21 to ensure you are aware of your overall financial situation with the College.
